

LIFESTYLE MEMBERSHIP TERMS & CONDITIONS

1. Lifestyle Membership is a points based membership in which points are purchased in advance and expended at the applicable rate for playing on the course. The points cost depends on when the round is played. The club may vary the point's costs from time to time.
2. One pound shall purchase one point.
3. Lifestyle Membership duration is for a period of 12 months from date of joining/renewing.
4. Lifestyle Members shall automatically become non-voting members of Oxford Golf Club Ltd, and Oxford City Golf Club (men) or Oxford Ladies Golf Club (women).
5. Lifestyle Membership subscriptions must be paid in full and are non-refundable.
6. Points must be surrendered every time that the Lifestyle Member plays. The Club shall specify how the Lifestyle Member must book and pay for their round.
7. Lifestyle Members may play nine holes at half of the eighteen hole rate (rounded up to the nearest point if necessary). When playing nine holes the player must check out at the Pro Shop at the end of the round.
8. No refund of points will be given after commencement of a round unless the course is officially declared unplayable. For the avoidance of doubt inclement weather does not qualify for a refund.
9. In the event of all points being used before the end of the membership period, additional points may be purchased in multiples of £100.

10. All points must be used in the membership year in which they are purchased. Any unused points cannot be carried forward into the next year with the exception of either:
 - Points from the original purchase that are fewer in number than the cheapest available fee for a round (and therefore cannot be spent), or,
 - Any number of points remaining from a purchase of additional points as described in section 9 above.
11. Before playing the Lifestyle Member must register in the professional shop and collect a bag tag.
12. Lifestyle Members can sign in and play with up to three guests. Guests will be charged the prevailing members' guest rate or the equivalent amount paid by the Lifestyle Member, whichever is the higher. Lifestyle Members may pay for their guests using their Lifestyle Points or the guests may be paid for by cash or card.
13. Lifestyle Members shall be issued with a membership card entitling them to the prevailing Lifestyle members' bar discount currently 10%.
14. Lifestyle Members will be provided with a handicap in accordance with CONGU rules.
15. Lifestyle Members may play in club competitions but may not enter the knockout or board competitions nor represent their club in inter-club matches.
16. Any Lifestyle Member who does not register before playing shall be immediately disqualified from membership and any remaining points forfeited.
17. Lifestyle Members must comply with club rules and observe golf etiquette. Lifestyle Members will be subject to club disciplinary procedures. Serious breaches of club rules or golf etiquette may lead to sanctions up to immediate disqualification and loss of any remaining points.
18. Oxford Golf Club may terminate this category of membership at any time. In this event Lifestyle Members will continue until the end of their membership year after which they can consider joining another membership category.
