

Members & Visitors Best Practice

In light of recent events surrounding Coronavirus, Oxford Golf Club will be asking members/visitors to follow the guidelines below. These will help ensure that we offer a safe environment for all when visiting our club and help the course to remain open during these unprecedented times.

The guidance will change as we get more information and we will ensure that everyone is kept up to date.

We are asking all members/visitors to be respectful of others and NOT come to the Club if you have a cough or any Corona Virus symptoms but to follow NHS guidelines.
